

**From 571 IAC—13.3:**

**List of Meandered Sovereign Lakes**, by County. “Meandered sovereign lakes” means those lakes which, at the time of the original federal government surveys, were surveyed as navigable and important water bodies and were transferred to the states upon their admission to the union to be transferred or retained by the public in accordance with the laws of the respective states. The state of Iowa holds sovereign title in trust for the benefit of the public to the beds of the following lakes:
