Facility Equipment Deactivation Form

Form Instructions

Request the DNR deactivate in Iowa EASY Air existing equipment at the facility. This is a change in Iowa EASY Air only and does not affect the status of any equipment in SLEIS or in a construction or operating permit. To reactivate equipment please contact the Iowa EASY Air Help Desk at easyair@dnr.iowa.gov.

How to complete this form:

Navigation: Use the Tab or Down Arrow key to move through the fields. Items marked with a * are required.

Section 1) Enter the Facility Information shown for *Facility Name and *Facility Number.

Section 2) Enter the Emission Point ID (EP ID) Number, Operation End Date, Description, and current Permit Number (if applicable), for each emission Point being deactivated.

- Use Section 5 for additional comments.
- Go to Section 3 if no Emission Point (EP) is being deactivated.

Section 3) Enter the Control Equipment (CE ID) Number, Operation End Date, Description, and current Permit Number (if applicable), for each Control Equipment being deactivated.

- Use Section 5 for additional Comments.
- Go to Section 4 if no Control Equipment (CE) is being deactivated.

Section 4) Enter the Emission Unit (EU ID) Number, Operation End Date, Description, and current Permit Number (if applicable), for each Emission Unit being deactivated.

- Use Section 5 for additional comments.
- Go to Section 6 if no Emission Unit (EU) is being deactivated.

Section 5) Use this section to add any additional information regarding Equipment Deactivation in Iowa EASY Air and if space is needed to complete Sections 2), 3) or 4).

Section 6) Enter Requestor's Contact Information, and enter the Date the Deactivation Form was submitted.

- If the Requestor wants to be notified by the Iowa EASY Air Help Desk when the Equipment Deactivation is complete, check the **Yes** box. If not, check the **No** box.

Additional Equipment

If you have more Emission Points, Control Equipment, or Emission Units than can be included on Page 1, you may identify them on Page 3. Duplicate Page 3 as many times as needed to include all of your equipment.

You may also attach your own equipment lists or spreadsheets to this Form, provided the information included matches the specifications found on Page 1.

How to handle this form:

1. Complete this form electronically (*no hard copies*).
2. E-mail the completed form to: **Iowa EASY Air Help Desk** (easyair@dnr.iowa.gov).
3. On the e-mail subject line, type EASY Air Equipment Deactivation Form.
4. E-mail questions regarding the status of your request to the email address above.
